

How to Use the ASG Invoice Hub

A simple step-by-step guide for sales representatives.

Step 1: Logging In

1. Open your browser and go to the Invoice Hub login page.
2. Select your name from the dropdown list.
3. Enter your 4-digit PIN.
4. Click **Sign in**.

Tip: If you don't see your name, contact your administrator to set up your account.

Step 2: Dashboard

After signing in, you'll see your dashboard with: - Summary statistics (week-to-date, all-time, drafts, sent invoices) - A list of your previous invoices

Step 3: Open My Profile

1. In the left sidebar, click **My Profile**.
2. This page shows your personal and payment details.

Step 4: Update Personal Details

On the **My Profile** page, you can update:

- **Full name**
- **Email**
- **Phone**

- **ABN**
- Edit any field directly.
- Click **Save Profile** at the bottom.

Tip: Your name and ABN appear on invoices as the contractor identity.

Step 5: Update Payment Details

Scroll down to the **Payment details** section:

- **Bank name**
- **BSB**

- **Account number**
- Fill in or update your bank details.
- Click **Save Profile**.

Warning: Payment details appear on invoices under PAYMENT DETAILS. Make sure they're complete before sending.

Payment status indicator: - **Complete** — all bank fields filled - **Missing information** — some fields empty

Step 6: Change Your PIN

Scroll down to the **Security** section:

1. Enter your **Current PIN**.
2. Enter your **New PIN** (exactly 4 digits).
3. **Confirm** your new PIN.
4. Click **Save Profile**.

Tip: Leave the PIN fields blank if you don't want to change your PIN.

Warning: Your current PIN is required to change your PIN. Never share your PIN.

Step 7: Create a New Invoice

1. In the sidebar, click **New invoice**.
2. The invoice form opens with:
3. Invoice details (number, email, company name, address)
4. Weekly wage calculator
5. Dates & Notes

Step 8: Select Work Days (Weekdays)

The wage calculator shows Monday–Friday. For each day, choose:

Option	Amount
Off	\$0
Half	\$90
Full	\$180

1. Click the day name (Mon, Tue, etc.) to reveal the options.
2. Select **Off**, **Half**, or **Full**.

Tip: The selector clearly shows your choice. No more guessing!

Example: Monday Full + Tuesday Half + Wednesday Off - Monday: \$180 - Tuesday: \$90 - Wednesday: \$0 - **Running total: \$270**

Step 9: Select Saturday (Optional)

Saturday has two options:

Option	Amount
Off	\$0
Half	\$100

1. Click the **Sat** day.
2. Select **Off** or **Half**.

Note: Saturday is always a fixed \$100 half-day. There is no full-day option.

Step 10: Use Quick Actions

Three shortcuts to quickly set common patterns:

Button	What It Does
Select Mon–Fri	Monday–Friday = Full (\$180 each), Saturday = Off
Select Mon–Sat	Monday–Friday = Full (\$180 each), Saturday = Half (\$100)
Clear Week	All days = Off

1. Click the button.
2. All days update automatically.

Step 11: Check the Weekly Total

The **Week Total** displays at the bottom of the calculator.

- Updates automatically as you select/deselect days
- Shows the breakdown (e.g., "Mon: \$180.00 | Tue: \$90.00 → \$270.00")

Step 12: Add Dates & Notes

1. Select the **Week starting** date.
2. The Dates & Notes section shows the dates for each day.
3. You can adjust individual dates if needed.
4. Add any **Notes** that should appear on the invoice.

Tip: Dates automatically populate based on your selected week. Click a day tile in Dates & Notes to cycle through states (Off → Full → Half).

Step 13: Add to Invoice & Save Draft

1. Click **Add to invoice** to add the wage line item.
2. Verify the line item appears in the invoice (description: "Wages/Retainer — Week of...").
3. Click **Save draft** to save without sending.

Tip: Saving as a draft lets you come back and edit later.

Step 14: View Your Invoices

1. Click **Dashboard** in the sidebar.
2. You'll see a list of all your invoices.
3. Click any invoice to view it.

Step 15: Edit a Draft Invoice

1. From the dashboard, click the invoice you want to edit.
2. On the invoice view page, you can:
3. Continue editing
4. Download PDF
5. Send & email

Note: Only drafts can be edited. Sent invoices are locked.

Step 16: Download the PDF

1. Open the invoice (draft or sent).
2. Click **Download PDF**.
3. The PDF downloads to your computer.

Tip: The PDF shows your company details, work dates, and payment information.

PDF Download

Step 17: Save & Email

1. Complete your invoice with wage details.
2. Click **Save & email**.
3. The system:
4. Saves the invoice
5. Downloads the PDF
6. Opens an email with the invoice details pre-filled

Warning: Make sure your bank details (Payment Details) are complete before sending. Invoices without payment details may delay processing.
